Call for Speaker Proposals 2025 NOMA Conference

NOMA will be hosting our 2025 Conference & AGM at the Superior Inn Hotel on April 23rd to April 25th. The Conference theme for 2025 is **'Innovation'**. I am confident municipalities can relate as they come up with creative solutions to address issues in their communities.

We are excited to provide our membership an opportunity to hear from experts across all sectors in Northwestern Ontario. This is a great opportunity to provide timely updates, showcase best practices, share local initiatives, and provide municipalities with critical knowledge to help them prepare for the changes that are to come.
